ARTICLE I: PREAMBLE

The Des Moines Independent Community School District, No. 77-1737, in the counties of Polk and Warren, State of Iowa, hereinafter referred to as the Employer, and the Des Moines Education Association, hereinafter referred to as the Association, agree that it is the practice of the Des Moines Independent Community School District and the Des Moines Education Association to promote harmonious and cooperative relationships between the school district and its employees.

The Association and the Employer, through good faith negotiation, have reached certain understandings; therefore, it is agreed as follows:

ARTICLE II: RECOGNITION

The Des Moines Independent Community School District is recognized as a public employer governed by the Board of Directors. The Department of Associates of the Des Moines Education Association, as determined and ordered by the Public Employment Relations Board, is recognized as the sole and exclusive bargaining agent for regular, hereinafter-named employees of the Employer, including all:

Teacher Associates (including study hall associates)

and excluding: All other school district employees, confidential and supervisory personnel, and all other employees excluded by Section 4 of the Iowa Public Employment Relations Act of 1974. For purposes of this Agreement, supervisors are defined as those who have the authority to hire, assign, transfer, promote, discharge, discipline, evaluate, or process grievances of other employees or have the responsibility to make recommendations thereon.

ARTICLE III: DEFINITIONS

- A. The term *Employer* as used in this Agreement shall mean the Des Moines Independent Community School District governed by a Board of Directors or its duly authorized representatives.
- B. The term *Association* as used in this Agreement shall mean the Des Moines Education Association or its duly authorized representatives or agents.
- C. The term *Employee* as us in this Agreement shall mean all employees represented by the Association in the bargaining unit as defined and certified by the Public Employment Relations Board (PERB).
- D. The term *regular full time employee* as used in this Agreement shall mean employees represented by the Association in the bargaining unit as defined and certified by the PERB who are employed six (6) hours or more each work day.

- E. The term *regular part time employee* as used in this Agreement shall mean employees represented by the Association in the bargaining unit as defined and certified by the PERB who are employed less than six (6) hours each work day.
- F. The term *associate* (referred to by the State Department of Public Instruction as educational aide), as used in this Agreement, shall mean a person employed by the Des Moines Independent Community School District in a paraprofessional position on the staff and shall be regarded as synonymous with the term *teacher associate* as utilized by the Iowa Public Employment Relations Board.
- G. The term *paraprofessional*, as used in this Agreement, shall mean a person employed to assist a teacher or other professional employee.
- H. *Seniority* shall be defined as the number of consecutive years of employment in the district as an associate. In cases where two or more employees begin employment on the same day, date of application shall establish the order of seniority. Extended leaves of absence shall not be credited to the determination of an employee's seniority status.

ARTICLE IV: DUES DEDUCTION

Any employee in the Association's certified bargaining unit, or who has applied for membership, may sign and deliver to the Employer an assignment authorizing payroll deduction of Association dues and political action contributions. The Association, subject to the approval of the Employer shall design the form authorizing payroll deduction, and the expense for producing and distributing said form shall be borne by the Association.

Pursuant to the deduction authorization, the Employer will deduct equal portions of the total amount from the regular pay check of each employee each two week pay period beginning in November and ending in June each year. The Employer must receive such deduction authorization cards not later than October 15th for employees who begin their school year at normal times. The Employer must receive deduction authorization cards not later than February 15th for employees who begin their school year at the start of the second semester. Employees may terminate deduction on 30 days' notification to the Employer, and the Employer will notify the Association of such termination. The Employer will transmit to the Association the total deduction within a reasonable time after the pay period.

The Association agrees to indemnify and hold harmless the school district, the Board, each individual Board member, and all administrators against any and all claims, suits, or other forms of liability, and all court costs arising out of the provisions of this Agreement between the parties for deduction.

ARTICLE V: SEPARABILITY

In the event that any provision of this Agreement shall become void or illegal during the term of this Agreement, such provision shall become inoperative, but all other provisions of this Agreement shall remain in full force and effect for the duration of this Agreement. The Employer and the Association agree to meet at the earliest possible mutually agreeable time for the purpose of negotiations to replace void or illegal provisions.

ARTICLE VI: FINALITY AND EFFECT OF AGREEMENT

This Agreement supersedes and cancels all previous collective bargaining agreements between the Employer and the Association unless expressly stated to the contrary herein, constitutes the entire Agreement between the parties, and concludes collective bargaining for its term.

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make proposals with respect to any subject identified as bargainable under Section 9 of the Public Employment Relations Act, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Association, for the life of this Agreement, each voluntarily and unqualifiedly waives any right which might otherwise exist under law to negotiate over any matter during the term of this Agreement, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to, or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.

ARTICLE VII: DURATION

- A.** This Agreement shall remain in full force and effect from August 1, 2006, and shall continue in effect until midnight on July 31, 2007, except for the wage increases on Appendix 1, Salary Schedule; and Article XVIII, Insurance; which shall remain in effect until midnight on August 22, 2007. The parties may agree to open other issues during the duration of this contract by mutual consent of the district and the Association.
- B.** In witness whereof, the parties hereto have caused this Agreement to be signed by their respective Chief Negotiators and their signatures placed thereon, all on the 6th day of June, 2006.

6. Be furnished on request regularly and routinely prepared information concerning the financial condition of the district, including the annual financial report and adopted budget, but nothing herein shall require the Employer to research and assemble information.

ARTICLE IX: EVALUATION

- A. Notification.** Within four weeks after the employee reports to his/her assignment, the building principal or his/her appropriate supervisor shall acquaint each employee under his/her supervision with the formal evaluation procedures as may be used and advise each employee as to the designated person or persons who will observe and evaluate the employee's performance. No formal evaluation shall take place until such orientation has been completed.
- B. Formal Observation.** His/her Employer for the purpose of evaluation shall formally observe each employee at least one time during each semester or employment. Following two successive satisfactory evaluations, the employee will be observed at least once every three years.
- C. Conference.** Observation of an employee shall be followed by a personal conference between the employee and the Employer.
- D. Written Evaluation.** Evaluation shall then be reduced to writing and a copy given to the employee within fifteen (15) working days of the observation. If the employee disagrees with the written evaluation, the employee may submit a signed and dated written position to the building principal or his/her appropriate supervisor and then the written position shall be attached to the file copy of the evaluation in question. The employee shall be asked to sign the written evaluation; however, such signature shall be understood to indicate the employee's awareness of the evaluation, but in no instance shall said signature be interpreted to mean agreement with the content of the material. The Employer shall provide written comments for the purpose of helping the employee improve weaknesses, as shown on the written evaluation.
- E. Informal Observation.** Additional evaluation of employees may occur through informal observations by the Employer. It may not be necessary to reduce such evaluations to writing, and a verbal discussion between the Employer and the employee concerning the informal observations may suffice. If a written evaluation is deemed necessary, Procedures C and D as outlined above shall be followed.
- F. Personnel File.** Each employee shall have, upon request, the right to review the evaluation documents contained in his/her personnel file. An employee has the right to respond in writing to any evaluation document. Any complaints directed toward an employee which are placed in his/her personnel file shall be promptly called to the employee's attention in writing.

ARTICLE X: TRANSFER PROCEDURE

A. Definition. Transfer is defined as movement of an employee to a different building.

B. Employee-Initiated Transfer.

1. *Notification of Vacancies (Openings).* The Employer will announce on the district's web site and on the Job Line, not later than the second Tuesday in January, the known existing full time openings for associates by classification and locations that will be available for the subsequent school year, except those vacancies resulting from retirements when the associate retiring requests confidentiality. The Employer, on the third Tuesday in March, will make a current listing for the following school year of openings existing as of that date. Following April 1 and prior to the first contact day of the subsequent school year, known existing full time openings for associates identified by classification and locations that will be available for the subsequent school year will be maintained in the office of the Director of Human Resources Management, and a list of such openings shall be provided to the employee upon his/her request. Known existing full time openings for associates, identified by classification and locations that will be available for the following school year will be posted in the office of the principal of each secondary school on the first Monday in August.
2. *Request for Transfers.* Immediately after an opening is made known, an employee desiring consideration shall submit a letter to the office of the Director of Human Resources Management. All transfer requests requesting either general transfers or transfers to previously published specific openings must be received in the office of the Director of Human Resources Management by no later than April 1. An employee desiring transfer to an opening known after April 1 and prior to the first contact day of the subsequent school year shall submit a letter to the Director of Human Resources Management, with a copy to the employee's principal, requesting consideration for the transfer. Employees who have filed a written request of transfer shall receive, through school mail, a written acknowledgement of the request from the office of the Director of Human Resources Management, within ten working days of the request reaching the office of the Director of Human Resources Management. Should the request for transfer be filed during the summer recess and be accompanied by a stamped self-addressed envelope, the employee shall receive written acknowledgement through the U.S. mail within a reasonable number of days of the request reaching the office of the Director of Human Resources Management.
3. *Procedure for Transfer.* If more than one employee applies for the same opening under the above conditions, and in the sole, exclusive, and final judgement of the Employer the employees' qualifications are considered equal, the employee with the greatest district seniority shall have priority.

C. Employer-Initiated Transfer.

1. *Notification.* In the case of Employer-initiated transfers, the principal of the school in which the employee works shall inform the employee in writing of the reasons for transfer. Employer-initiated transfers of an employee after the beginning of an academic year will not be effective until a personal conference has been held between the Employer and the employee. Employees may request mid year transfers to transfer from a 9-month contract to a 12-month contract.

ARTICLE XI: PROCEDURE FOR STAFF REDUCTION

- A. Attrition.** In the event it is necessary to have a reduction in staff, the Employer shall attempt to accomplish such reduction by attrition. In the event necessary reduction of staff cannot be accomplished by attrition, the Employer shall determine which employees are to be retained according to the following procedures:

1. *Staff Reduction Within a Building.* When employment cannot be provided in a particular building, the reduction in staff shall be based upon (a) the needs of the school system as determined by the Employer, (b) the affected employee's educational preparation and experience, and (c) the relative skill, ability, and competence of the employee for which employment cannot be provided. When those employees for whom employment cannot be provided in a particular building have qualifications considered equal, the employee with the least district seniority within the building shall be declared excess and transferred first. Employer-initiated transfers that result from this practice shall be conducted in accordance with the contract provisions expressly associated with Employer-initiated transfers contained in Section C.1 of Article X: Transfer Procedure.
2. *Staff Reduction Within the District.* When in the judgement of the Employer, it is necessary to have a reduction in staff within the district, such reduction will be accomplished in the following order: (a) through attrition, (b) from among temporary employees unless needed to maintain an existing program, (c) from among regular part time employees with less than 3 years full time equivalent employment with the district unless otherwise needed to maintain an existing program, (d) from among regular part time employees with 3 or more years full time equivalent employment in the district unless otherwise needed to maintain an existing program. Should further reductions be necessary and when the remaining employees have equal qualifications, the employees with the least district seniority shall be laid off first.

- B. Notification of Layoffs.** The Employer shall provide written notice to the Association and to the employee 30 calendar days prior to the actual layoff. Such notice shall include written reasons for reduction and shall be kept in the individual employee's personnel file.

C. Recall Rights. Any employee laid off pursuant to this practice shall have recall rights to any position for which he/she is or may become qualified for one year from the effective date of his/her layoff and shall be offered employment in such available positions in associate job classifications in inverse order of the layoff.

D. Notification of Vacancies. A laid off employee shall be notified by certified mail of an appropriate vacancy, sent to the employee's address on file in the office of the Director of Human Resources Management. An employee's failure to respond affirmatively in writing within five calendar days after receipt of the Employer's letter shall cause loss of recall rights.

ARTICLE XII: PROFESSIONAL DEVELOPMENT

A. Definitions. Professional development training is defined as training provided employees by the Employer during the service year.

B. Professional Development Steering Committee.

1. *Makeup.* One-half of the members of the Professional Development Steering Committee, exclusive of the chairperson, shall be associate representatives appointed by the Employer from a list of nominations provided by the Association. The Deputy Superintendent or his/her designee shall serve as chairperson.
2. *Responsibility.* The Professional Development Steering Committee shall be established to make recommendations to the office of the Deputy Superintendent on the general plan for the district's professional development training day.
3. *Released Time.* Members of the Professional Development Steering Committee shall be granted released time to fulfill their responsibilities upon receipt of approval by the office of the Executive Director of Human Resources Management. Attendance of employees at Professional Development Steering Committee meetings outside the parameters of the workday shall not be used in lieu of other employee obligations outside the parameters of the workday.

ARTICLE XIII: HOURS

A. Work Day.

1. *Length of Day.* The total work day shall consist of not more than 7 hours and 30 minutes and shall include a scheduled duty-free lunch period as provided to employees under subsection 3 of this article.
2. *Arrival and Dismissal Time.* The arrival and dismissal time for each employee shall be determined by the Employer. Employees shall not be required to remain in the building after students have vacated the building on days preceding a holiday or vacation.

3. *Lunch Period.* Employees shall have a scheduled duty-free lunch period of at least 30 uninterrupted minutes. They shall not be required to be available during this scheduled lunch period for supervision unless an emergency situation arises involving the safety of students.
4. *Leaving the Building.* Employees may leave their assignments during the time encompassed by the employee's workday upon receipt of permission from their principal, their supervisor, or the Employer's appointed designee.
5. *Rest Periods.* All associates are entitled to two 15-minute rest periods in any work day of more than 6 hours. One 15-minute rest period may be taken in any work period of at least 4 but no more than 6. Such rest periods shall be with pay and shall not exceed 15 minutes.

B. Meeting/Activities.

1. *Faculty and Other.* An employee may be required to remain after the end of the regular workday for the purpose of attending faculty meetings or activities no more than 2 times each month. Attendance at such faculty meetings or activity shall not be required longer than one hour and 15 minutes beyond his/her pupils' dismissal time. Employees shall receive compensatory time for all time spent in meetings after the regular workday. Compensatory time shall be earned in increments of reasonable rounding to the closest fifteen (15) minutes.
2. *Morning/Evening Meetings or Activities.* No employee shall be required to attend any meetings or activities outside his/her regular workday.

ARTICLE XIV: SERVICE YEAR

- A. Basis of Employment.** Basis of employment for associates shall be 186 working days plus the agreed upon paid holidays and vacations.
- B. Holidays and Vacations.** Associates shall be paid per diem for each of the following holidays and vacations:
- Labor Day
 - Thanksgiving Day and the following Friday
 - Five (5) days of Spring Recess
 - Memorial Day

ARTICLE XV: LEAVES OF ABSENCE

A. Prior Notice.

1. Regular full time employees must complete a request for approval of absence from school duties on such form as provided by the Employer for all absences

except illness. This form must be completed at least ten (10) days prior to the date of absence whenever possible.

2. If an employee expects to return to the assignment, the employee must notify the immediate Employer representative of such intention by no later than 45 minutes prior to normal student dismissal time on the previous day. If the employee does not give the required notification of intent to return and the substitute subsequently reports for duty the following morning, the substitute will be paid for an additional half day, and the pay for this will be deducted from the employee's salary.

B. Sick Leave. An employee must report the intention to be absent from duty to the designated Employer representative by at least one hour before the employee's regular starting time, but in no case later than 7:00 a.m. on the day of absence. If possible, notification should be given on the previous day or earlier.

If an employee expects to return to an assignment, the employee must notify the immediate supervisor of such intention no later than 45 minutes prior to normal student dismissal time on the previous day. If the employee does not give the required notification of intent to return, and the substitute subsequently reports for duty the following morning, the substitute will be paid for an additional half day, and the pay for this will be deducted from the employee's salary.

Regular full time employees shall be allowed sick leave of 15 working days during their first year of employment and 15 working days each year thereafter without loss of pay. If an employee does not need to use the allotted days during the contract year, the unused days will be added to the allowance for the succeeding year. There is no limit on the total number of days that may be accumulated. In case of absences for illness or injury in any one year exceeding the aggregate of days allotted for that year, the excess shall be deducted from the employee's accumulated days. At the end of the year, any of the accumulated days which are unused shall be added to the regular allowance for the succeeding year. If an employee is unable to begin service under the contract on the date on which the contract is designated to begin, the employee shall nevertheless be entitled to draw compensation for any unused medically related disability leave accumulated from prior years of service with the district, pursuant to its regulations thereto, payable at the time regular installments are due under this contract, notwithstanding the fact that actual service did not commence under this contract for the school year covered therein. If an employee is unable to report for duty on the first day of the new contract, and had no accumulated sick leave on which to draw, compensation for sick leave will not be allowed under the new contract until the employee does report, whereupon it will become retroactive. All accumulated sick leave is forfeited upon the termination of employment.

Regular Part Time Employees. Regular part time employees are subject to all practices granted in Article XVII with the stipulation that regular part time employees

shall engage in practices granted in Article XVII, Section C, at a ratio proportionate to the employee's part time condition of employment.

C. Family Illness Leave. In the event of illness in the immediate family, an employee shall be granted up to three (3) days of absence without loss of salary to be deducted from sick leave. The immediate family shall be construed to mean father, mother, son, daughter, wife, husband, brother, sister, mother-in-law, father-in-law, son-in-law, or daughter-in-law. A statement from a responsible person other than the employee may be required as proof of illness.

D. Adoption. Up to five (5) days of sick days may be utilized for adoption.

E. Bereavement Leave. In the case of the death of the wife, husband, child, or (step)child of a regular full time employee, or of the employee's (or spouse's) (step) father, (step) mother, (step) brother, (step) sister, grandchild, or legal dependent, the employee shall be granted permission to be absent from duty by the office of the Executive Director of Human Resources Management for as many days, not to exceed five, during the individual employee's service year as may be necessary in the opinion of the office of the Executive Director of Human Resources Management for attendance at the funeral and for any other purposes directly arising out of said death, and no deduction of pay shall be made for the days of absence so granted.

Funeral Leave. In the case of the death of any other relative or person of unusually close personal relationship, one day or two half-days of absence shall be allowed during the individual's service year without loss of pay for attendance at the funeral if the funeral is being held in the area of Greater Des Moines. If the funeral is being held outside the area of Greater Des Moines, one day of absence shall be allowed. The office of the Executive Director of Human Resources Management shall have the authority to extend the above provisions for any other purpose directly arising out of said death, and no deduction of pay shall be made for the days of absence required.

An employee who is paid while on bereavement leave during his/her extended service year shall have the obligation to complete his/her extended work assignment at no additional pay.

F. Emergency Leave. Regular full time employees shall be allowed a total of three days in any one school year, without loss of salary, for emergency leave such as illness within the immediate family, disaster, court subpoena, or other necessary court appearance, and other circumstances recognized as emergencies by the principal and the office of the Executive Director of Human Resources Management. An employee who is paid while on emergency during his/her extended service year shall have the obligation to complete his/her extended work assignment at no additional pay.

- G. Special Leave.** One day, or two half-days, may be used per school year, without accumulation, for special leave chargeable to the regular full time employee's current emergency leave. Such absence may not be taken during the first or last student contact week of the semester or immediately before or after holidays or vacation periods. Requests for special leave must be made on a form provided by the Employer, such form not requiring specific reasons, prior to the absence, with permission to be granted by the office of the Executive Director of Human Resources Management.
- H. Jury Duty.** In the absence of extraordinary circumstances, employees may be excused for jury duty. In order that no employee shall suffer financial loss because of such absence, no deduction from the employee's compensation will be made during the term of jury service, provided that all jury fees received by such employee be turned over to the school district.
- I. Political Activity.** A leave of absence may be granted for one semester or one year to an employee who desired to run for office or take part in political activity. This provision recognizes the rights and obligations of employees to be participating citizens in such activities as voting, discussing political issues, campaigning for candidates, or running for and serving in public office. Such a leave would be granted without pay.
- J. Educational Purposes.** Attendance at educational meetings or visiting other schools is permitted at full pay if the office of the Executive Director of Human Resources Management approves such absence. If any regular full time employee wishes to be absent from duty for a brief period to attend a professional or para-professional meeting, or to visit schools, a written request for approval of such absence on a form provided by the Employer should be signed by the principal or supervisor and filed in the office of the Executive Director of Human Resources Management at least ten days prior to the first day of anticipated absence.
- K. Military Reserve Duty.** A leave of absence will be granted for reservists for training purposes, but not for a period exceeding a total of thirty (30) days in any calendar year. Leaves for training purposes are granted without loss of pay, but employees are expected to take such training during the times when school is not in session whenever possible.
- L. Military Service.** Leaves of absence are granted for military purposes, not to exceed the enlistment or draft period. On completion of the military service, the salary of the employee shall be the salary stated on the Salary Schedule for the step and class for which the employee was appointed at the time of the commencement of the leave, but subject to the following conditions: That the position was not abolished, that he/she is physically and mentally capable of performing the duties of the position, that he/she makes written application for reinstatement to the Executive Director of Human Resources Management within ninety (90) days after termination

of military service, and that he/she submits an honorable or general discharge from the military service.

- M. Extended Leave of Absence Without Pay.** Employees may request extended leaves of absence without pay for a period of time to be terminated at the conclusion of the semester during which the leave commenced or for one additional semester following the conclusion of the semester in which the leave commenced. An employee shall file an application in the office of the Executive Director of Human Resources Management. The application shall be reviewed by that office and will be submitted to the Board of Directors for their consideration. Extended leaves of absence may be granted for health, professional study, or family responsibilities, which may include child nurturing. The employee's service will resume either at the beginning of the fall or spring semester in accordance with the leave of absence agreement. While on extended leave, the employee's interest in the retirement funds, accumulated sick leave, and placement on the salary schedule shall be frozen. While no additional benefits will be provided by the Employer during the leave period, the employee may purchase such benefits. At the conclusion of the extended leave of absence, the salary of the employee shall be the salary stated on the salary schedule for the step and class for which that employee was appointed at the time of the commencement of the leave. A request for early termination of the leave agreement and reinstatement of position must be made in writing to the office of the Executive Director of Human Resources Management at least thirty (30) days prior to the beginning of the new semester. The Employer shall reserve the right to delay reinstatement until the beginning of the school semester following the request. Early reinstatement before the beginning of the new semester to those granted a leave of absence for a regular school year must indicate a desire to return within five (5) days of receipt of regular letter of intent sent to all employees.
- N. Summer School.** Associate personnel employed during summer school shall be granted two 'summer school days' of absence in a single term for either sick leave or emergency leave, or a combination of both, non-accumulative.
- O. Religious Holidays.** Employees whose religious affiliation requires the observance of holidays other than those regularly scheduled in the school calendar may be excused by the office of the Executive Director of Human Resources Management without loss of compensation.
- P. Regular Part Time Employees.** Regular part time employees are subject to all practices granted in Article XV, with the stipulation that regular part time employees shall engage in practices granted in Article XV, sections A, B, C, D and G at a ratio proportionate to the employee's part time condition of employment.
- Q. Compensatory Time.** Employees will be allowed to use their compensatory time off, in minimum increments of one (1) hour, provided they make a request a minimum of twenty-four (24) hours in advance and it does not infringe on the operational needs of the Employer.

ARTICLE XVI: COMPENSATION

- A. Basic Salary of Employees.** The basic salary of regular full time employees covered by this Agreement is set forth in Appendix 1, which is attached to and incorporated into this Agreement. The basic salary of regular part time employees shall be at a ratio proportionate to the employees' part time condition of employment.
- B. Effective Date.** The salary schedule contained in this Agreement shall take effect on August 1, 2006. Deferred payment to employees for work performed prior to this collective bargaining agreement will be made with reference to the salary schedule in effect when the work was performed.
- C. Placement on the Salary Schedule.** All new employees new as associates shall be employed at Step 1. Employees who leave district employment and return shall be placed at the step upon which they were previously employed, but at no higher than the fifth step of any wage classification on the employee salary schedule.
- D.** All summer school positions shall be filled on the basis of the needs of the school system as determined by the Employer, and employees shall be selected from available applicants.
- E. Reclassification.** Where a college course credit or other acceptable credit is to be used for the purpose of advancement on the salary schedule (or to maintain eligibility for employment), such credit must receive approval by the office of the Executive Director of Human Resources Management. In order to protect the quality and efficiency of instruction in the schools, every employee is required to report to the Human Resources Management Office all study pursued in any school or college during the period for which the employee is employed with the school district. The Executive Director of Human Resources Management shall determine the number of hours of collegiate work and staff development credit, which may be undertaken by any employee.

Approval for Courses of Study

Individual Course Approval. Employees may submit the appropriate form (Form 61) for approval prior to the beginning of the course. If no prior approval, the employee may submit the appropriate certified transcript with no assurance of approval by the Human Resources Office for advancement on the salary schedule.

Professional Development. Professional development courses offered by the Des Moines Public Schools/Heartland AEA 11, and graduate credit courses from an accredited university may be taken without prior approval. Credit approval will be granted from the completed certificates provided to the Human Resources Management Office. Professional development courses offered by agencies other than the Des Moines Public Schools/Heartland AEA 11 and accredited universities must receive approval prior to the beginning of the course for acceptance to advance

on the salary schedule. A certified transcript from the training institution or completion of course work certificate for staff development must be submitted to the office of the Executive Director of Human Resources Management for evaluation by September 15 in order that the salary of the employee can be changed from one class to another when applicable. The salary increase as a result of reclassification will be retroactive to the effective date of the salary schedule.

F. Schedule of Payment. An employee shall be paid at his/her assigned building or by mail on the following dates:

September 8 and 22, 2006	March 9 and 23, 2007
October 6 and 20, 2006	April 6 and 20, 2007
November 3 and 17, 2006	May 4 and 18, 2007
December 1, 15 and 29, 2006	June 1, 15 and 29, 2007

STAFFING PROTOCOLS – 12-MONTH ASSOCIATES

The Des Moines Education Association (Association) and the Des Moines Community School District (District) have agreed to the following understandings to facilitate 12-month regular associate positions. The purpose is to provide consistent, high quality staff for the early childhood centers of the District throughout the year. Both parties agree that some trial and error will occur as we implement this. Therefore, we will consider this a pilot program initially, to be revisited, if necessary, during 2007-08 negotiations. We will implement this, with Association approval, as soon as practical.

1. General: Follow the guidelines set forth in the Comprehensive Agreement for associates.
2. Additional:
 - Salary – Current daily rate.
 - 9 Non-Working Paid Holidays – Independence Day, Labor Day, Thanksgiving (2 days), Christmas (2 days), New Years (2 days), and Memorial Day.
 - Vacation – earn 10 days per year according to the Comprehensive Agreement. Vacation can be used after 1 year of service. 10 days per year vacation can be carried over. Vacation days can not be used during winter or spring breaks. Current associates, who switch to this group in 2006 as part of this implementation, will have 7.5 vacation days credited and available for immediate use.
3. Filling the positions:
 - A. Associates at the Pomerantz Early Learning Center will have priority to move into the 12-month associate positions at that location.
 - B. If the Pomerantz staff does not want to move into the 12 month positions by July 1, 2006, they will request a transfer for the 06-07 school year. The transfer form will be due by April 1, 2006. These people will be considered "Excess" and given priority for transfer.
 - C. The transfer process already in place for teachers and associates will be used to move staff into the 12-month positions if needed.
 - D. If vacancies occur during the year, the position will be posted and filled with interim person to allow for other interested District staff to transfer into these positions. For this year, 12-month associate vacancies will be listed in the large March master list.
 - E. Final payout will be agreed to by both parties and will occur as soon as practical at the time an employee moves into a 12-month associate position.
 - F. The year will begin on July 1, of each year for 12-month associates.
4. Parties agree that this methodology and this protocol is not precedent setting to nor applicable to any other bargaining unit.
